

THE AWESOME LADIES PROJECT

Currently List Journaling Challenge

STEP ONE

Grab yourself a Currently List, choose between the classic list (bottom), the new design (top), or just write out the list in your favorite notebook.

STEP TWO

Pick out your favorite pen and fill out your Currently List. If you're unsure or don't have a great answer for one of the prompts, just write that! There is no right or wrong answer to any of these.

STEP THREE

Add your Currently List card to your latest scrapbook page, art journal, or Daily Pages notebook. I (rukristin) fill one out and stick it in my Daily Pages notebook every Monday.

STEP FOUR

(Optional) Share your project on the Awesome Ladies website inside our free community, or on your favorite social media using the hashtag #CurrentlyList.

I can't wait to see your project!
